## **CSA 2015 – General Information**

Deliveries are made every Friday, May 29, 2015, through October 16, 2015, with the exception of July 4<sup>th</sup> week, for a 20 week delivery season.

### **SIGNING UP FOR CSA SHARES**

A CSA Membership Contract & Membership Form and sign up fee must be completed prior to starting our CSA program. Once the forms are printed and filled out, email [info@resilientfarm.com](mailto:info@resilientfarm.com) to ensure your account is setup correctly.

Unless paid in full up front, CSA Shares are billed monthly. A commitment of one growing season is required when you sign up for the service. The one-time sign up fee is \$50.00. You can join the CSA Program at any time, and we can pro-rate the plan. It is not necessary to start at the beginning of a season. However, if we do not receive notice within 30 days of the end of the billing cycle, your contract will automatically roll over into the next billing cycle.

### **ADD-ON ITEMS:**

We make our deliveries on Friday. Please notify us in writing by Monday of the delivery week, what extra add-ons you want. You may pay in cash/check at the time of delivery.

### **SUBSTITUTE ITEMS:**

The Resilient Farm takes pride in providing our customers with fresh, healthy items in their CSA baskets. Due to the perishable nature of our products, we occasionally must supplement and substitute items to provide the freshest CSA basket possible. Chickens in particular are not consistent in their egg laying output; therefore, we cannot guarantee that eggs will be available every week. But when things are not available, we do substitute in order to keep the money correct for what you are paying for your CSA.

### **PICKUP LOCATIONS & HOME DELIVERY:**

For our customer's convenience. The Resilient Farm has set up pickup locations in several area locations around Columbus. At this time, there is no pickup or delivery fees as long as you pickup your weekly basket at the designated place & time. Of course, we ask that you put a cooler with frozen packs in your pick-up vehicle so that your food items remain fresh.

### **OPTING-OUT & VACATIONS**

Once a season you are allowed to opt-out of purchasing your basket. Should you require more than one week you will be charged and your basket will be donated locally. Our farm depends upon the consistency of it's members to survive; therefore, we must adhere to this policy.

### **PAYMENT OPTIONS**

The Resilient Farm accepts personal checks and cash, along with Visa, Mastercard and Discover cards. Debit/Credit cards are autodrafted once a month for the upcoming month

## **CSA 2015 – Member Agreement**

I agree to pick up the CSA basket at the agreed upon location and time. If basket is not picked up within the stated time or prior arrangements have not been made, I understand that week’s basket will be forfeited, contents donated, and the cost of that basket charged to my credit card. I understand that I am allowed one weeks vacation from basket delivery with at least one weeks written notice to The Resilient Farm of the upcoming break.

I understand that it is my responsibility to contact The Resilient Farm directly and NOT the business associated with my preferred pick up location to determine the date and time of the weekly pick up. I am allowed one vacation week per six month period where my basket is forfeited with no charge to my debit/credit card. I also understand that I am to notify The Resilient Farm at least one week in advance of my intended vacation week. I understand that I can arrange for others to pick up my basket in my absence with prior notification to The Resilient Farm.

I understand that the Resilient Farm will be closed for the week of 4th of July. During that week, no baskets are provided and additional items will be provided in the weeks preceding and/or following this closure. The specific dates of these closures will be determined at the start of each year, and will be stated to me at least one month prior to the closure. If for any reason, such as holidays, inclement weather, family emergencies, et. al., The Resilient Farm cannot fulfill the weekly basket order, I will be notified as soon as possible. At this occurrence, The Resilient Farm may forfeit that week with no cost to me or will provide additional items in the following week’s basket.

In the event of a farm visit or pickup: I understand that The Resilient Farm is a private facility and I will respect the property and the livestock. I will not bring animals to the farm, and if I bring children, they will be supervised at all times. I will park in designated areas only. I understand that membership in The Resilient Farm CSA does not entitle me to visit the Farm unannounced. I understand that I am responsible for adhering to the requirements set forth by the persons or business associated with my preferred pick up location. I understand that the variety of items in each basket depend on growing conditions and availability. I understand that any changes to this contract can not take place until the following billing cycle after the change has been requested. If I decide to cancel this contract, I understand that I must finish out the current billing cycle and that the cancellation fee is \$100.
